DO NOT SPOIL YOUR DAY BY INCURRING A FINE.

Ambiguity and Hypocrisy

For those who love the philosophy of ambiguity,
and possibly hypocrisy....

Don't sweat the petty things and don't pet the sweaty things.

Atheism is a non-prophet organization.

I went to a bookstore I asked the saleswoman, "Where's the self-help section?" She said if she told me, it would defeat the purpose.

What if there were no hypothetical questions?

Is there another word for synonym?

Would a fly without wings be called a walk?

If a turtle doesn't have a shell, is he homeless or naked?

What was the best thing before sliced bread?

One nice thing about egotists: they don't talk about other people.

Do infants enjoy infancy as much as adults enjoy adultery?

How is it possible to have a civil war?

If you try to fail, and succeed, which have you done?

Whose cruel idea was it for the word "Lisp" to have "S" in it?

Why is there an expiration date on sour cream?

If you spin an oriental man in a circle three times does he become disoriented?

Can an atheist get insurance against acts of God?
